XFA Global Appoints Marketing Director for UK and Europe

XFA Global Limited, the UK arm of X-Change Financial Access, the Chicago based broker, has appointed Paul O'Donnell as Marketing Director for UK and Europe, based in London.

Paul was previously Co-founder and COO of Principalis Asset Management and Managing Director at Bankers Trust, UK, Europe and Asia Asset Management, He is also an advisor and mentor to a number of businesses in the UK and Europe.

Jonathon Glassock, Managing Director of XFA Global in London commented: *“Paul brings over 40 years of experience in the financial services industry, across a wide range of activities including marketing, product innovation and business management all of which have key relevance to our own activities. The appointment of such a high-calibre individual is testament to our commitment to investing and growing our UK and European business.”*

Paul O'Donnell, Marketing Director of XFA Global in London stated: *“After three years working with XFA on a number of projects, I'm excited to be working with them in this capacity at a time when our industry faces great opportunities and challenges. I'm looking forward to working with the talented team in the UK to build on their achievements and to deliver the significant capabilities of XFA to the UK and European markets.”*
